We here all well in health and hope, to hear
the same from you. I will now talk to you regarding the things papa
wrote me as to the houses. He wrote me that there must be done a
lot of fixing as part of a house is about to fall apart, and I did not
even answer him in this respect, as I had no means. I am now without
news from them since October, and I am somewhat worried. The first of
the year I received a letter from my brother, stating that my adored
Mother was then confined in bed and had been for 2 months. Also Aunt
Nicolina has been in bed for 2 years. You may see for yourself how
my heart is in pain. So far I haven't seen Compeer Angelo.
